Personal statement

Architect registered with the Council of Architecture, with 7 years of experience in residential, institutional and mixed-use projects from concept to completion. Skilled in Revit, AutoCAD and SketchUp, building permission drawings under local development control regulations, and coordination with structural, MEP and landscape consultants.

Work experience

Project Architect · **Sabarmati Design orative, Ahmedabad** — Apr 2022 – Present

- Lead design and documentation for 5 projects worth about ₹180 crore, including a 2.4 lakh sq ft mixed-use development and a 600-student school campus.
- Prepared building permission drawings and secured approvals from the local development authority without major objections on 4 consecutive submissions.
- Introduced Revit templates and families that cut drawing-set preparation time by about 25%.
- Coordinate weekly with structural and MEP consultants and contractors, resolving 300+ RFIs during construction.

Architect · **Pol House Architects, Ahmedabad** — Jul 2019 – Mar 2022

- Designed 12 bungalows and 3 apartment buildings, producing concept, working and good-for-construction (GFC) drawings.
- Prepared 3D views and walkthroughs in SketchUp and Lumion for client presentations.
- Carried out site visits for quality checks and prepared snag lists before handover.

Education

B.Arch. in Architecture · **Gujarat School of Architecture anning, Ahmedabad** — 2014 – 2019
: 7.9 CGPA
