PERSONAL STATEMENT

Qualified Cost and Management Accountant (CMA) with 6 years of experience in product costing, standard costing, variance analysis and cost audit compliance for steel and pharma manufacturers. Works in SAP CO and Excel to maintain cost records under the Companies (Cost Records and Audit) Rules and to support pricing and cost reduction decisions.

CORE SKILLS

- Cost reduction
- Pricing support
- Operations partnering
- Analytical thinking
- Compliance

WORK EXPERIENCE

Manager, Costing · Simhachalam Steel Castings Ltd, Visakhapatnam Oct 2022 – Present

- Own product costing for 280 casting SKUs in SAP CO, updating standard costs every quarter for raw material and power price changes.
- Prepare monthly cost-volume-profit and variance reports that helped management reprice 40 loss-making SKUs and improve gross margin by 3.1 points.
- Maintain CRA-1 cost records and coordinate the annual cost audit, filing CRA-2 and CRA-4 on time with no adverse remarks.
- Led a power and consumables cost project with operations that saved ₹2.8 crore a year.

Cost Accountant · Godavari Formulations Pvt Ltd, Rajahmundry Jun 2020 – Sep 2022

- Calculated batch-wise costs for 150 tablet and syrup products and reconciled cost and financial profit every month.
- Built a BOM-based quotation model used by the sales team for institutional tenders.
- Conducted quarterly inventory valuation and identified ₹72 lakh of slow-moving stock for liquidation.
