Mahesh Shinde

Industrial Electrician

mahesh.shinde@example.com | +91 98XXX XXX27 | Nashik, Maharashtra

PERSONAL STATEMENT

ITI (NCVT) electrician with 8 years of experience in industrial maintenance and building wiring, holding a valid wireman licence. Skilled in LT panels, motor starters, cable termination and fault finding in auto-component plants, with a clean safety record and LOTO discipline.

WORK EXPERIENCE

Maintenance Electrician · Godavari Auto Components Pvt Ltd, Nashik — Apr 2021 – Present

- Maintain 2 LT panels, 18 MCCs and about 140 induction motors across press, machining and paint shops on a three-shift rotation.
- Reduced electrical breakdown time on the press line from 31 to 12 hours a month by introducing weekly thermography and terminal tightening checks.
- Replaced 22 old DOL starters with star-delta and soft-starter panels, cutting motor burnouts to zero in the last 18 months.
- Follow LOTO and work-permit procedures for every job; zero lost-time incidents in 5 years.

Electrician · Shree Ganesh Electricals, Nashik — Aug 2017 – Mar 2021

- Completed concealed wiring, DB installation and earthing for 35+ flats, shops and two small hospitals.
- Laid and terminated armoured cables up to 95 sq mm for commercial buildings and tested insulation with a megger before handover.
- Read single-line diagrams and prepared material lists for the contractor, reducing wastage of wire and conduit.

EDUCATION

ITI in Electrician (NCVT) · Government Industrial Training Institute, Nashik, Nashik — 2014 – 2016
Grade: 82%

SSC (10th) in General · Maharashtra State Board, Nashik — 2013 – 2014
