DEEPAK YADAV

Field Investigator (Surveys)

deepak.yadav@example.com | +91 75XXX XXX92 | Bhopal, Madhya Pradesh

PERSONAL STATEMENT

Field Investigator with 4 years of experience on health, nutrition and agriculture household surveys across Madhya Pradesh and Chhattisgarh. Skilled in CAPI interviewing on SurveyCTO and ODK, anthropometric measurement, informed consent and back-check procedures, with a consistently low error rate in supervisor checks.

WORK EXPERIENCE

Field Investigator · *Narmada Social Research Associates, Bhopal, Sagar and Rewa divisions* Jan 2023 – Present

- Completed 1,050+ CAPI household interviews for a large national health and nutrition survey, averaging 5 interviews a day in rural and urban blocks.
- Took height and weight measurements of 900+ children under five following the survey anthropometry protocol.
- Maintained a back-check match rate above 95% and a refusal rate under 3% across 2 survey rounds.
- Mapped and listed 1,800 households in 12 sample villages using GPS-enabled tablets before the main survey.

Enumerator · *Malwa Agri Development Foundation, Raipur and Durg, Chhattisgarh* Jul 2021 – Dec 2022

- Interviewed 600 farmers on crop practices, input costs and irrigation for an impact evaluation of a state agriculture scheme.
- Recorded GPS plots and crop-cutting data on ODK Collect and synced data daily without loss.
- Translated and pre-tested the questionnaire in Hindi and Chhattisgarhi, flagging 14 unclear questions that were revised.
