Personal statement

Interior designer with 6 years of experience in residential and commercial fit-out projects across Chandigarh, Mohali and Ludhiana. Handles concept design, working drawings, 3D visualisation, BOQs and site coordination, and has delivered 45+ projects ranging from 2BHK apartments to 12,000 sq ft offices.

Work experience

Senior Interior Designer · Aangan Interiors and s LLP, Chandigarh — Jan 2023 – Present

- Lead design for 10 to 12 residential and retail projects a year with budgets from ₹8 lakh to ₹1.2 crore.
- Prepare detailed working drawings, electrical and false-ceiling layouts and BOQs in AutoCAD and Excel, cutting site rework queries by about 35%.
- Coordinate carpenters, electricians and vendors on site and delivered 92% of projects by the committed handover date.
- Negotiate with laminate, hardware and lighting suppliers to keep material costs 8 to 10% below estimate on average.

Interior Designer · Urbanloft Design Studio, i — Jul 2020 – Dec 2022

- Produced 3D views and walkthroughs in SketchUp and V-Ray for 30+ client presentations, with about 70% converting to confirmed orders.
- Designed modular kitchens and wardrobes and prepared cutting lists for the in-house factory.
- Carried out site measurements, snag lists and handover for 20 apartments in a gated community.
