PERSONAL STATEMENT

PGT Mathematics with 7 years of experience teaching CBSE Classes IX to XII and JEE foundation batches. Consistently delivers Class XII board averages above 85%, uses GeoGebra and maths-lab activities to teach calculus and geometry, and runs structured remedial plans for students who fear the subject.

WORK EXPERIENCE

PGT – Mathematics · Aravali International School, Jaipur — Apr 2021 – Present

- Teach Mathematics to Classes XI and XII (4 sections, 140 students); Class XII CBSE average improved from 79% to 87% across three board batches.
- Run an integrated JEE Main foundation programme for 45 students after school hours; 12 qualified for JEE Advanced in 2025.
- Designed weekly error-analysis worksheets and a doubt-clearing slot, cutting the number of students below 50% in pre-boards from 19 to 6.
- Set up the school maths lab with 30 CBSE-prescribed activities and GeoGebra demonstrations for Classes IX and X.

TGT – Mathematics · Shekhawati Academy Senior Secondary School, Sikar — Jul 2018 – Mar 2021

- Taught Classes VI to X; Class X Mathematics pass rate rose from 88% to 98% in two years.
- Prepared 60+ students for national-level maths Olympiads, with 9 reaching the second round.
- Converted the Class IX and X question bank into Google Forms quizzes during online classes.
