Personal statement

MBBS doctor with 3 years of post-internship experience as casualty medical officer and ward duty doctor in 200+ bed hospitals. Confident in emergency triage, resuscitation, OPD consultations and medico-legal documentation. Registered with the Uttar Pradesh Medical Council and ACLS certified.

Certifications

Permanent Registration, Uttar Pradesh Medical Council · UP Medical Council — Feb 2023

Advanced Cardiovascular Life Support (ACLS) Provider · AHA-authorised training centre — Jan 2025

Basic Life Support (BLS) Provider · AHA-authorised training centre — Jan 2025

Work experience

Casualty Medical Officer · Awadh City Hospital, Lucknow — Mar 2024 – Present

- Assess and stabilise 60–80 emergency patients per 12-hour shift, including trauma, chest pain, poisoning and stroke cases.
- Lead initial resuscitation and code blue response until the intensivist arrives; activated the stroke pathway in 40+ cases with door-to-CT under 25 minutes.
- Prepare MLC reports, injury certificates and police intimations as per hospital and legal requirements.
- Coordinate admissions and referrals with 12 specialty departments and counsel families on treatment plans and costs.

Resident Medical Officer (Wards) · Gomti Nagar Multispeciality Hospital, Lucknow — Apr 2023 – Feb 2024

- Managed 30–35 inpatients across medicine and surgery wards on night duty, reviewing vitals, investigations and drug charts.
- Performed procedures such as central line assistance, Ryle's tube insertion, catheterisation, suturing and ABG sampling.
- Wrote daily progress notes and discharge summaries on HIS, reducing pending discharge summaries at morning handover.
