Lavanya Reddy

Certified Medical Coder (CPC)

lavanya.reddy@example.com | +91 81XXX XXX52 | Hyderabad, Telangana | linkedin.com/in/lavanya-reddy-example

PERSONAL STATEMENT

AAPC-certified medical coder with 3 years of experience coding emergency department and E/M outpatient charts for US healthcare clients. Proficient in ICD-10-CM, CPT and HCPCS Level II with modifiers and NCCI edits, consistently maintaining 96%+ audit accuracy while meeting daily productivity targets.

WORK EXPERIENCE

Medical Coder II, ED Facility and Profee · Medisys Revenue Cycle Solutions Pvt Ltd, Hyderabad — Feb 2024 – Present

- Code 140–160 ED profee charts a day using ICD-10-CM, CPT and modifiers 25 and 59, against a target of 130.
- Maintain 96.8% average QA accuracy over 18 months, with zero critical errors in the last 3 client audits.
- Reduced coding-related denials for one client by 18% by flagging documentation gaps through physician queries.
- Trained 5 new coders on ED level assignment and NCCI edit checks during their nesting period.

Trainee Medical Coder · Charminar Health Information Services, Hyderabad — Mar 2023 – Jan 2024

- Coded outpatient E/M and radiology charts under 100% QA during training, then moved to production in 4 months.
- Reached 95% accuracy and 90 charts a day within 6 months of joining.
- Used encoder software and payer guidelines to assign accurate diagnosis and procedure codes.
