PERSONAL STATEMENT

Online physics tutor with 3 years of experience teaching Class XI and XII board and JEE Main students through live classes and one-to-one sessions. Has delivered 2,400+ hours of online teaching with an average student rating of 4.8/5, using digital pens, OneNote, Zoom and LMS-based tests to keep learners engaged.

WORK EXPERIENCE

Subject Matter Expert and Live Tutor – Physics · Brahmaputra Learning Labs Pvt Ltd, Remote (Guwahati) — Jan 2024 – Present

- Teach live JEE Main physics batches of 60 to 120 students, five evenings a week, with an average session rating of 4.8/5.
- Improved batch retention from 72% to 86% over two terms by adding weekly doubt rooms and personalised test feedback.
- Created 180+ practice questions and 40 short concept videos used across the platform's Class XI physics course.
- Mentor 25 students one-to-one each term; 9 of last year's mentees scored above 97 percentile in JEE Main.

Online Tutor – Physics and Mathematics · Freelance tutoring, Remote — Jul 2022 – Dec 2023

- Taught 30+ CBSE and AHSEC Class XI and XII students one-to-one over Zoom and Google Meet.
- Grew the student base mainly through parent referrals, keeping a waiting list during board-exam months.
- Shared weekly progress reports and test scores with parents through WhatsApp and Google Sheets.
