Personal statement

Registered pharmacist with 5 years of experience in hospital in-patient pharmacy and a retail pharmacy chain. Skilled in prescription verification, dispensing, Schedule H1 and narcotic registers, FEFO inventory control and patient counselling. Registered with the Telangana State Pharmacy Council.

Certifications

Registered Pharmacist, Telangana State Pharmacy Council · Telangana State Pharmacy Council — Aug 2021

Work experience

Hospital Pharmacist · Deccan Heart and Multispeciality Hospital, Hyderabad — Aug 2022 – Present

- Verify and dispense 350+ in-patient and discharge prescriptions a day for a 250-bed hospital, checking dose, interactions and allergies.
- Maintain narcotic and Schedule H1 registers; the pharmacy cleared 3 drug inspector and NABH audits with no major findings.
- Cut expired stock write-offs by 42% by moving to FEFO picking and a monthly near-expiry report on the HIS.
- Counsel discharged patients on insulin, anticoagulants and inhaler technique, and report adverse drug reactions to the ADR monitoring cell.

Pharmacist · Sanjeevani Pharmacy Chain, Secunderabad — Jun 2021 – Jul 2022

- Dispensed medicines for 180–220 walk-in customers a day and checked prescriptions for Schedule H and H1 compliance.
- Managed purchase orders and stock in Marg ERP, keeping stock-outs of fast-moving items below 2%.
- Increased chronic-care refill customers by 25% through reminder calls and BP and sugar check camps.

Education

B.Pharm in Pharmacy · Sultan-ul-Uloom College of Pharmacy, Hyderabad — 2017 – 2021
Grade: 7.6 CGPA
