PERSONAL STATEMENT

Planning engineer with 6 years of experience in scheduling and project controls for metro rail, highway and industrial projects. Skilled in Primavera P6, baseline and look-ahead planning, earned value analysis and delay analysis, with clear MIS reporting for clients and senior management.

WORK EXPERIENCE

Senior Planning Engineer · Vidarbha Infra Constructions Ltd, Nagpur — Apr 2022 – Present

- Own the Primavera P6 schedule for an elevated metro package of 7.2 km with 6 stations and a contract value of ₹1,150 crore.
- Built a resource-loaded baseline with 4,800 activities that was approved by the client in the first submission.
- Recovered a 45-day delay on the viaduct by re-sequencing girder launching and adding a second casting yard shift.
- Prepare weekly and monthly progress reports, S-curves and earned value analysis for the client and the corporate office.

Planning Engineer · Wardha Road Builders Pvt Ltd, Amravati, Maharashtra — Jul 2019 – Mar 2022

- Planned and tracked a 64 km four-laning highway project under the hybrid annuity model.
- Prepared extension of time submissions with windows-based delay analysis, securing a 120-day extension without penalty.
- Tracked plant and machinery productivity and helped cut idle time of pavers and graders by 20%.
