PERSONAL STATEMENT

HSE professional with 7 years of experience as a safety officer in manufacturing and construction, including a 1,200-worker factory and an industrial expansion project. NEBOSH IGC and ADIS qualified, with hands-on experience in permit-to-work, risk assessment, incident investigation and Factories Act compliance.

WORK EXPERIENCE

Safety Officer · Aravalli Glass and Packaging Ltd, Bhiwadi, Rajasthan — May 2021 – Present

- Manage the safety system for a 1,200-worker glass container plant with furnaces, forming lines and hazardous chemical storage.
- Cut recordable injuries from 14 to 4 a year by introducing job safety analysis, a near-miss reporting app and monthly safety walks.
- Run the permit-to-work system for hot work, height work and confined space, handling 600+ permits a month.
- Trained 2,500+ workers and contractors in induction, fire fighting and first aid, and led 4 mock drills a year.

HSE Officer · Shekhawati Infra Projects Pvt Ltd, Neemrana, Rajasthan — Apr 2018 – Apr 2021

- Handled site safety for a factory expansion project with up to 450 workers, including scaffolding, crane lifts and excavation.
- Recorded 1.8 million safe man-hours without a lost-time injury on the project.
- Conducted weekly audits and closed 95% of observations within the agreed time frame.
