Personal statement

Video editor with 4 years of experience cutting long-form YouTube videos, Instagram Reels, brand films and OTT promos. Works in Premiere Pro, DaVinci Resolve and After Effects, handling the full post-production pipeline from rough cut and colour grading to sound clean-up and platform-ready exports.

Work experience

Senior Video Editor · **Filmyard Media Pvt Ltd, ai** Mar 2024 – Present

- Edit 3 to 4 long-form YouTube videos a week for 2 creator channels with a combined 4.5 million subscribers.
- Restructured intros and pacing using audience-retention graphs, lifting average view duration from 38% to 51%.
- Cut 60+ Reels and Shorts a month; 9 of them crossed 1 million views in 2025.
- Set up a proxy workflow and shared project templates on the studio NAS, cutting turnaround on brand-integrated episodes from 5 days to 3.

Video Editor · **Ekdant Studios, Mumbai** Jun 2022 – Feb 2024

- Edited 25+ brand films, corporate videos and event aftermovies for FMCG, real estate and wedding clients.
- Cut trailers and promos in Hindi and Marathi for 2 regional OTT web series.
- Handled colour correction in DaVinci Resolve and dialogue clean-up in Adobe Audition for every deliverable.

Education

B.Sc. in Media and Film Production · **Konkan College of Studies, Mumbai** 2019 – 2022
7.6 CGPA
