PERSONAL STATEMENT

Warehouse supervisor with 6 years of experience running inbound, storage and outbound shifts in 3PL warehouses for FMCG and e-commerce clients in Bhiwandi. Manages teams of 40+ loaders, pickers and forklift operators on SAP EWM and a cloud WMS, with strong results in inventory accuracy, dispatch TAT and safety.

WORK EXPERIENCE

Warehouse Supervisor · **Konkan Warehousing Solutions Pvt Ltd, Bhiwandi, Maharashtra** Mar 2022 – Present

- Supervise night-shift operations in a 2.2 lakh sq ft multi-client facility with 45 associates, 6 reach trucks and 14 dock doors.
- Raised bin-level inventory accuracy from 97.1% to 99.6% by introducing daily cycle counts and a zero-tolerance put-away scan rule.
- Improved pick productivity from 62 to 88 lines per picker per hour through slotting fast movers near dispatch and wave picking in the WMS.
- Maintained 600+ days without a lost-time injury by running daily toolbox talks and MHE checklists.

Shift In-charge, Inbound · **Rapid Kart Fulfilment Services, Bhiwandi, Maharashtra** Aug 2019 – Feb 2022

- Handled unloading, GRN and put-away of 18 to 25 trucks a day during festive peaks for an e-commerce marketplace.
- Cut dock-to-stock time from 30 hours to 10 hours by reorganising receiving bays and pre-printing barcode labels.
- Trained 60+ new associates on handheld scanners, FIFO/FEFO rules and damage reporting.
